## **Map Context In The Web App**

---

The web app includes map overlays for District 7 boundary, storm surge planning zones, simplified FEMA flood zones, canals, pump station service areas, bus stops, and bus routes. These are context layers, not resident resource locations.

---

Layer counts: storm surge 97, FEMA flood zones 341, canals 146, pump areas 3, bus stops 367, bus routes 30.

**Important limitation**

FEMA flood zones are simplified for display. Use official address-level lookup tools for property-specific flood and evacuation decisions.
